At the age of 23 the account will convert to a Hometown Free account.

The benefits of our Hometown Student account are a free debit card and online/mobile banking. It is also only a \$25 minimum deposit to open the account. If you open the student account while in Jr. High or High School, it will allow you to become familiar with how your account works as well as becoming used to using the online/mobile banking. We also offer remote deposit so when head to college or a trade school you can deposit any checks you may receive by simply taking a picture of the front and bank of the check and clicking submit.
