Dear Customer,

→ PRESIDENT'S LETTER

Just when you thought the excitement was over with the conclusion of our Basketball Madness promotion, something else comes along. This month we celebrate Community Bank Week April 23-27. The theme for this year is "We Are Family". That's a fitting theme for us. Working and playing together, watching out for each other and striving for a common goal is what a family and a community are all about. We consider ourselves as a family and our customers are part of that family. Putting an emphasis on providing the best products and services possible and being involved in the community is why we have been "Big enough to serve, small enough to care" since 1901.

Join our "Family" celebration at any of our three convenient locations!

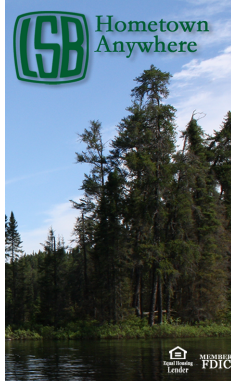

God Bless,

→ Basketball Madness Thank you for all your support!

Jones Service is under new ownership and management. In January 2018, Jones Service opened under the Ownership of Darrel Schultze and under management of Shaun Moore. Darrel and Shaun intend to keep much of the day-to-day operations of the station the same. As one of the last full service stations in the area, there is great pride in maintaining the full service station reputation. The new ownership does look to make some small changes to help improve their ability to better serve the community. One of these improvements is they now accept Debit and Credit Cards!

As well as being a full service gas station, Jones Service also offers battery installments, oil changes, brake replacements, 29-point inspections, tire rotations, patches, and balancing. More of a D-I-Y person? You can order your parts through Jones Service and expect them in 1-2 business days.

You can stop in during their business hours:
6a-6p Mon-Fri
6a-5p Sat
Or call if you have any questions:

Customer Education How to run your card: Credit vs. Debit

Reach your rewards faster by selecting Credit instead of Debit when using your LSB Debit Card for purchases.

For every \$6 spent on Debit transactions earn 1 point.
For every \$3 spent on Credit transactions earn 1 point.

Debit based transaction require you to enter your PIN.

Credit based transactions are usually when you sign for the transaction and do not require a PIN.

Most stores will vary on how they request payments, some vendors may automatically ask for a PIN while others may ask you which way you would prefer to use your card. However, almost every vendor should have the capabilities to run your card as either Credit or Debit.

If you are unsure of how to run your card for a purchase, ask the store clerk assisting you with the purchase how to run your card.
