Lyndon State Bank  
Three Locations

Dear Customer,

## PRESIDENT'S LETTER

Spring is here so it is time to start knocking off that to do list you created (or someone created for you) during 2020. We have multiple loan options for that home purchase, home remodeling project and anything else you can dream up. Let us help you check off all your financial goals in 2021.

Our new mobile app is coming soon. It will have many new features and capabilities, making banking with LSB even easier. A big thanks to all those that are helping us test the new app to make sure it is running smoothly before the launch.

We will be celebrating community bank week April 26<sup>th</sup>-30<sup>th</sup>. The theme this year is Growing stronger communities, which is what community banking is all about. A community is only as strong as its local businesses and residents and their dedication and desire to see it thrive. Join us at any of our three locations for a chance to win some cool prizes!

Have a safe and fun spring!  
God Bless

## → Account Spotlight: Address Changes!

Let's talk about address changes. When your address changes everyone knows they must let the post office know. But did you know that you also need to let your bank know? Yes, it is very important that we have an up-to-date address. This will ensure that our communications (Statements and replacement debit cards) go to the right place. Due to important privacy policies this must be done by you (we cannot use the forwarded address from the post office). This process can be as simple as a phone call (with proper verification) or in person with an easy form.

## → Business Spotlight: Charger Arms

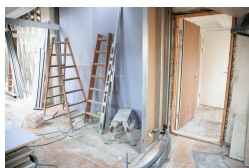

This quarters spotlight is Charger Arms LLC. Our area's only and the state's longest running Factory Certified Cerakote Applicator. Also, full-service Gun Store with a Gunsmith in shop daily. They are located at 520 Topeka Ave in Lyndon. Adam and Kim Balzer have been in this business since May of 2007 and in Feb of 2021 Moved into their current location.

"We are the region's highest rated Cerakote applicator. We do work for many OEM firearms and other industry manufacturers as well as local customers. We pride ourselves on friendly, knowledgeable staff and our commitment to the local community. We support local businesses and the community and hope we see you in our store in the future. Our family has strong ties to the Lyndon and Osage County community and we treat everyone like family. "-Mission Statement
