**Allie Rice** is an Independent Consultant for Pink Zebra. Allie gets to work from home and loves sharing the Pink Zebra home fragrance

experience with everyone. Pink Zebra is unique because of the scented soy sprinkles. The sprinkles are made from soybeans grown right here in the USA! They are non-toxic to humans and pets. The Pink Zebra sprinkles burn cleaner and last 30% longer than the competitor. They can also be sprinkled on top of candles or placed in sachet bags to freshen your dresser drawers, closets, cars and more! They can also be warmed in Pink Zebra simmer pots, simmering lights or a warmer you already love! If you're in a small place and don't want plugs or flames, Pink Zebra offers Soaks. Soaks let you blend your favorite fragrance in liquid form. With 60+ fragrances: What could be better! Allie has been banking with Lyndon State Bank since she was very young and enjoys her relationship with the bank now that she owns her own business. You've Smelled the rest; Now Smell the best!
